Notes & Denotations

As **Cub Scout Pack 111** embarks upon another exciting year of scouting to learn and grow, we hope that each scout and family will participate to their fullest ability, which makes the pack GO! By bringing your scout to meetings and events, it ensures his ability to achieve advancement.

Thank you to our wonderful **volunteer leaders** for their dedication and planning which allows each den to provide for meetings and activities that meet criteria in cub scouting.

We thank our parents for the commitment and interest that they have in their youth's life. Families are invited to events, and siblings will cherish the experience for years to come as well. **Parents are also an Akela** (leader) and welcomed to help their scout on the Cub Scout Trail! Please sign off achievements in the back sections of the scout handbook and report to leaders, so that achievements may be recorded and ordered for pack meetings.

Please keep in touch with your den leader if you miss meetings or achievements.

See your scout's advancements and info on scoutbook.com after registering with Pack 111.

Parents are responsible for their own youth's well-being at meetings and events, including behavior, attendance, advancement and any provisions or special needs due to health issues of a youth. Our expectation is that everyone involved follows the Scout Oath and Scout Law.

Pack 111 invites every adult to jump in and help where needed. Your ideas and comments are important to us. Every parent is also invited to join in at committee meetings and events. Should you have any questions or comments please contact: your Den Leader, Committee Chairman, Cubmaster/s, or our Charter **Representative**.

Finally, we thank our Charter Organization, **First Presbyterian Church of Bradenton** for supporting the Boy Scouts of America and allowing us all the privilege to have a quality program in our immediate area. **The use of the building and facilities are a "privileged blessing" and we know that everyone will respectfully use the church building and grounds better than their own!**

You may also find our Pack 111 calendar and this agenda on our website: scoutpack111.com for events. **Please print a copy of the agenda and post on the "fridge, car visor & or scout book for you and your scout to refer to quickly and frequently. We hope the agenda will help in your planning.**

Check your email on Sundays & regularly for pack news and updates!
